

# **Carroll County Board of Commissioners**

## **COVID-19 Data Update June 24, 2021**

**Data only**

\*Please note that this data is preliminary and subject to change.

**Carroll County  
Health Department**

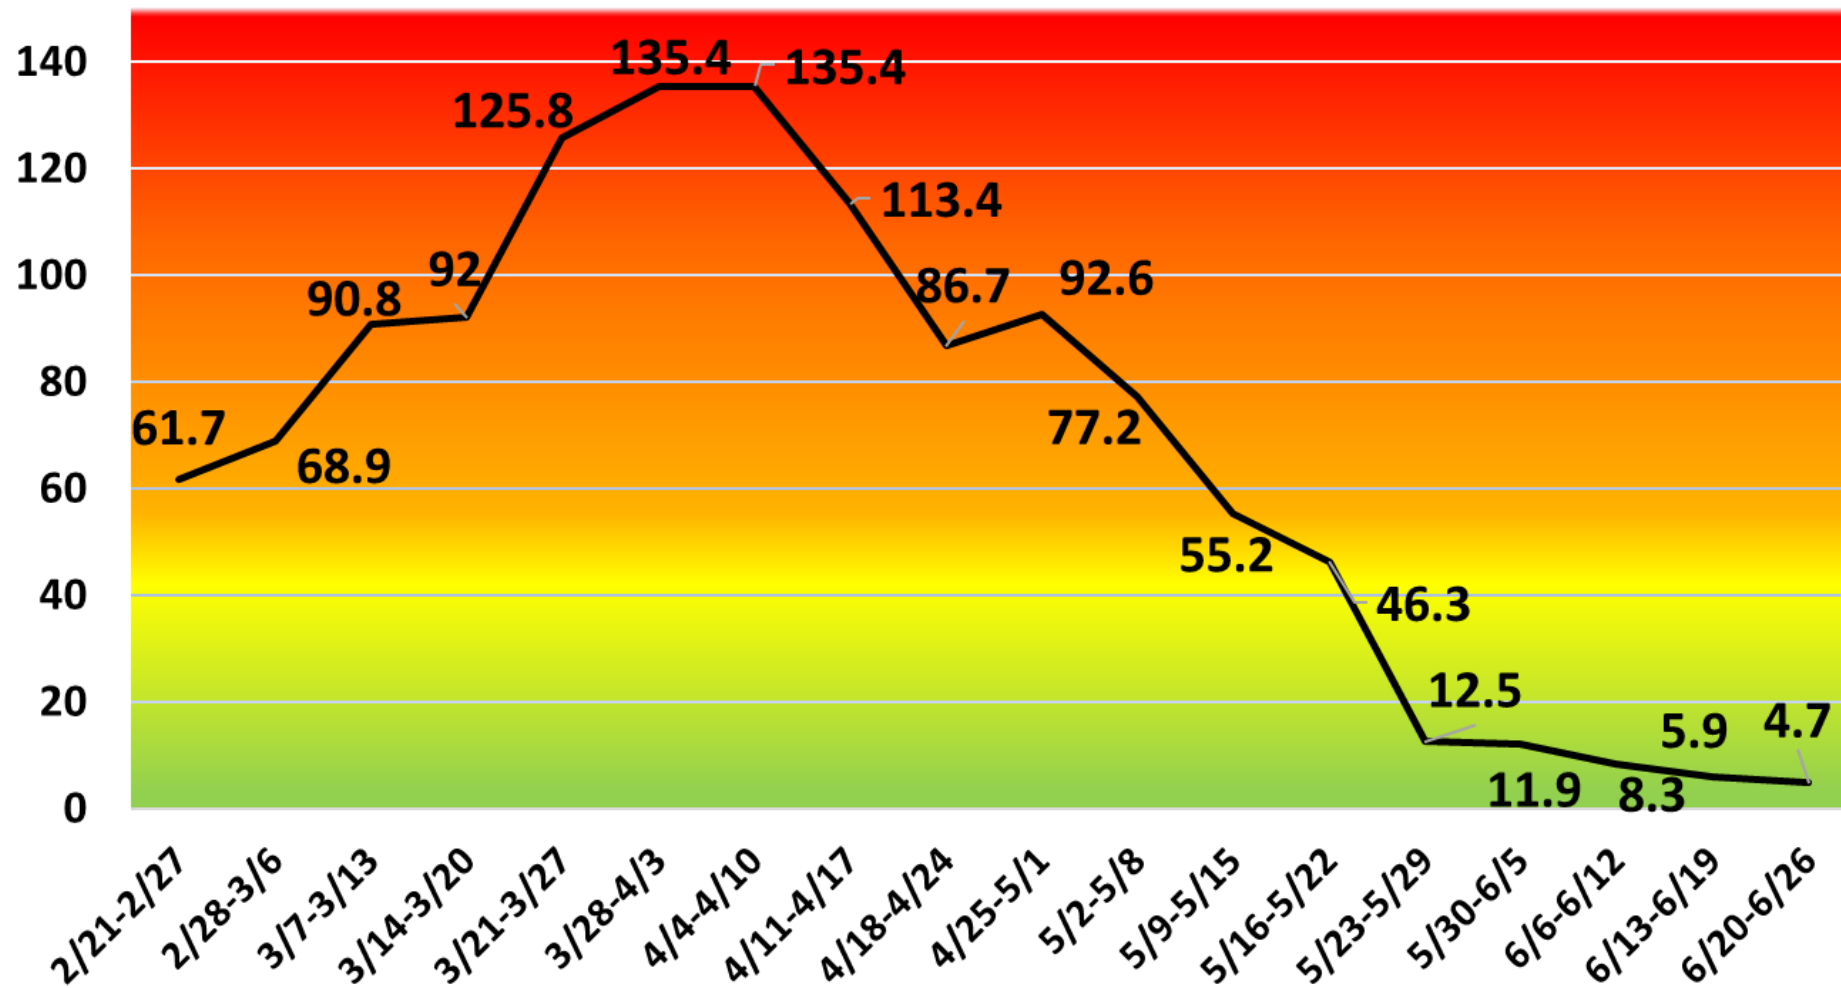

**Public Health**  
Prevent. Promote. Protect.

## Levels of community transmission as defined by the CDC:

- Total new cases per 100,000 in past 7 days: low 0-9, moderate 10-49, substantial 50-99, high  $\geq 100$
- Percent positive tests in past 7 days: low  $<5\%$ , moderate 5-7.9%, substantial 8-9.9%, high  $\geq 10\%$

Total cases per 100,000 per week

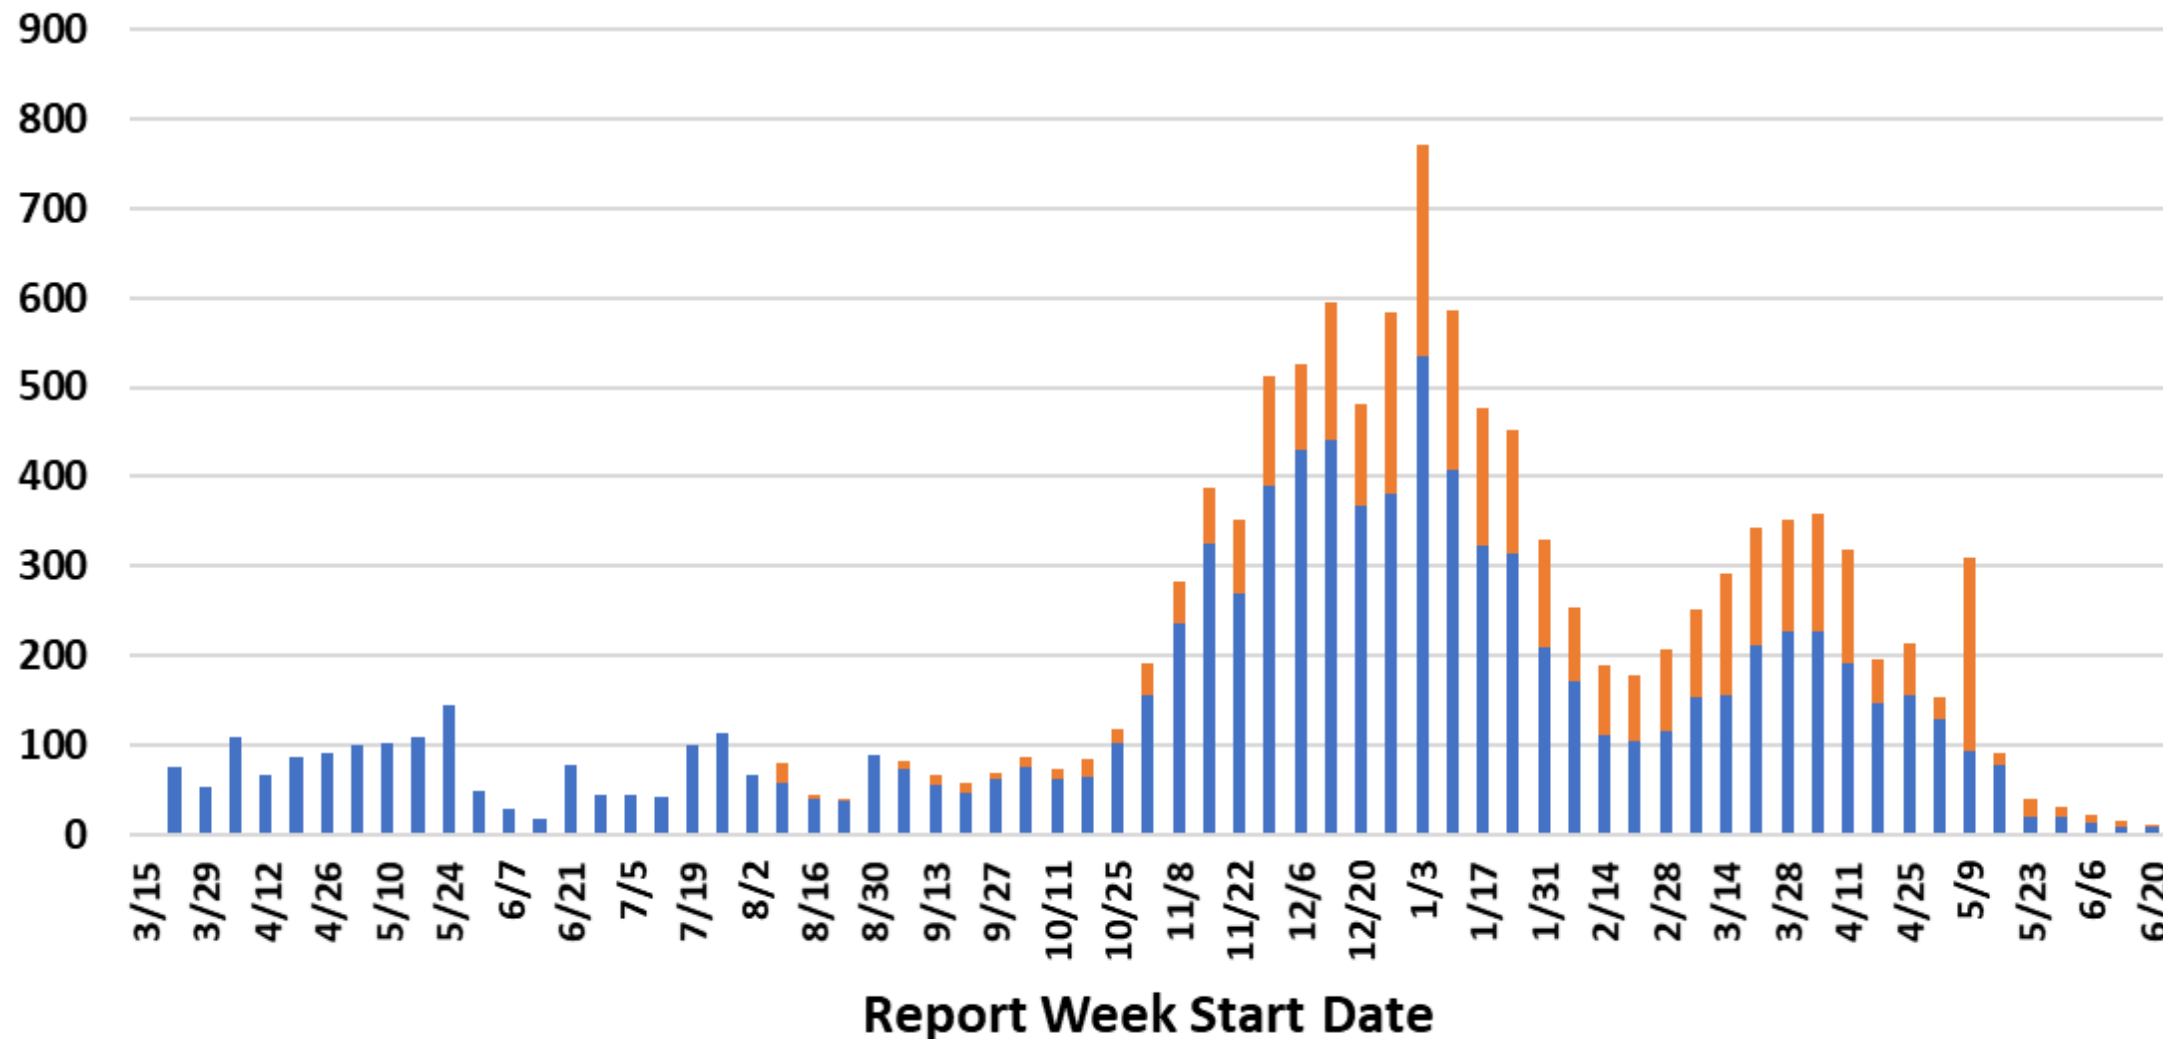

Total new cases per 100,000 this week:  
4.7, low

Positivity rate in Carroll County:  
0.28%  
Low  
Down 0.49 from last week

## Probable cases

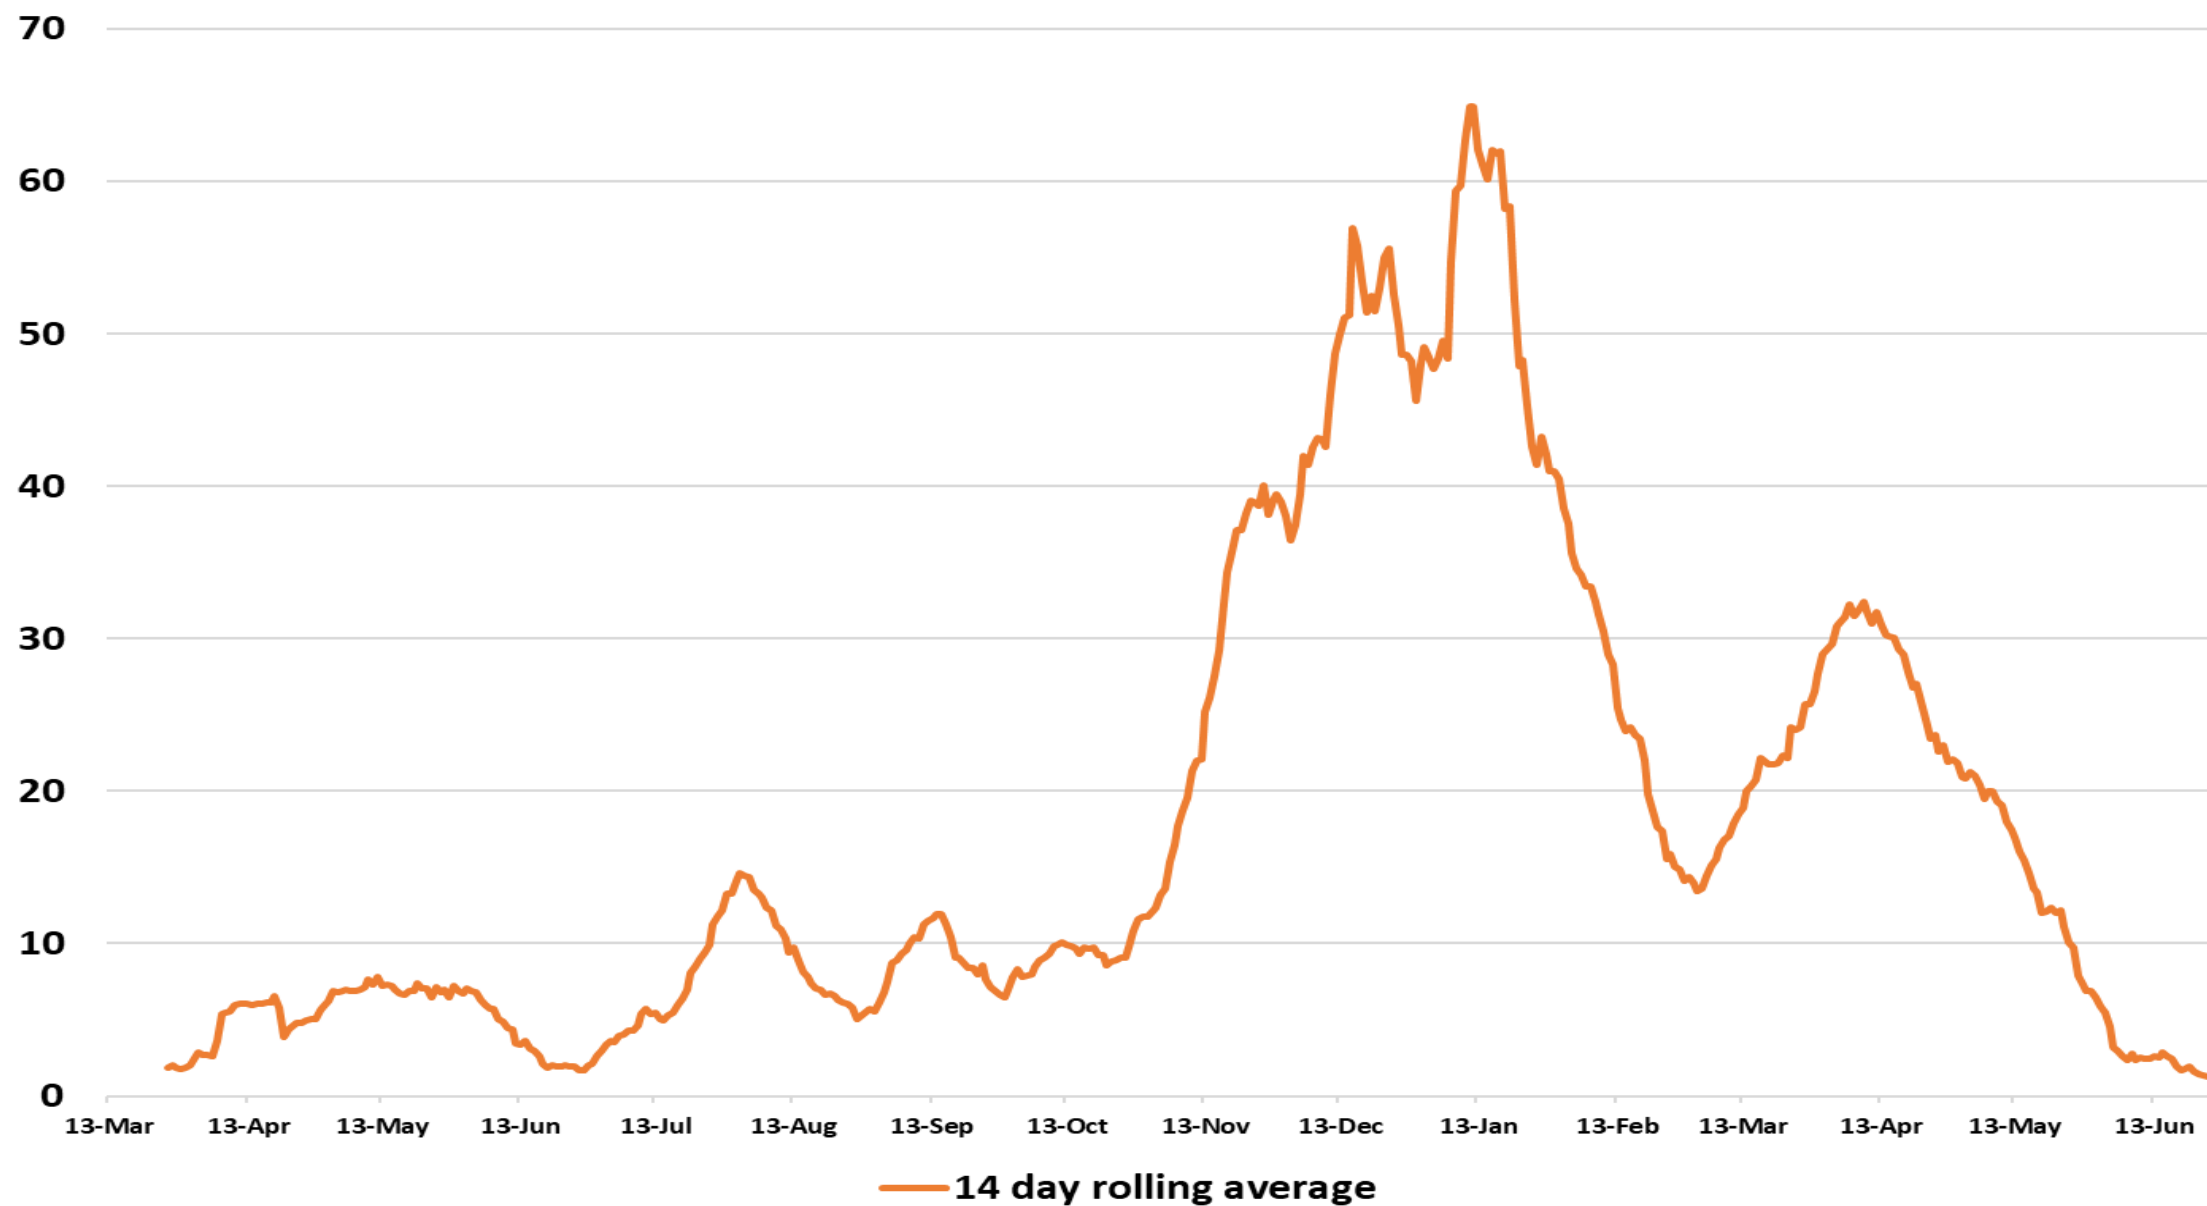

### All COVID-19 Cases by Report Week

Confirmed Probable

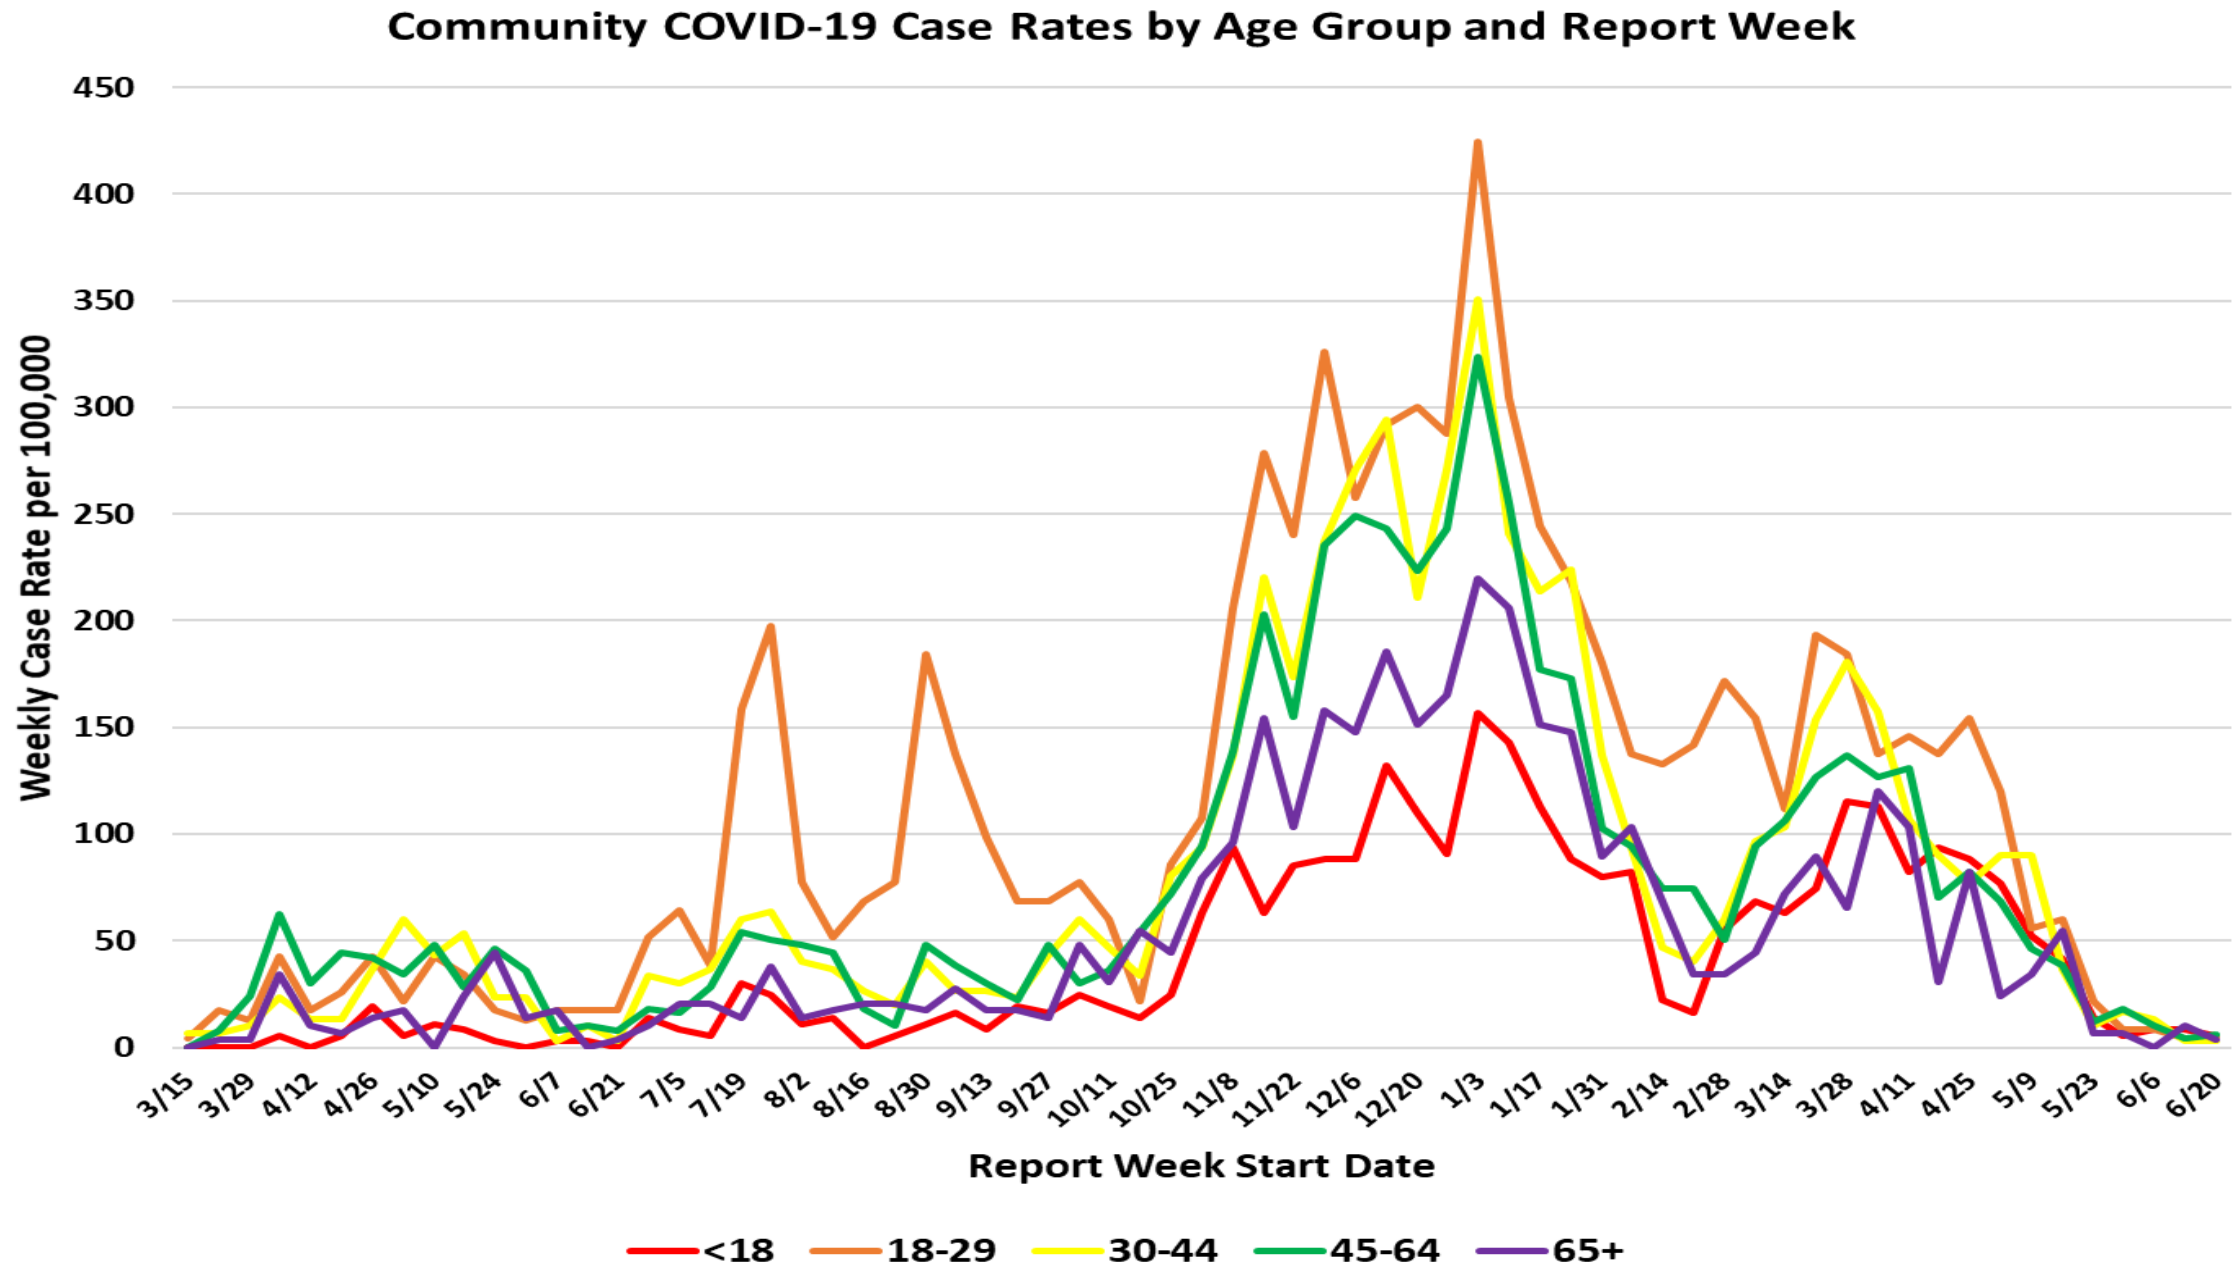

- Probable cases are those who test positive with an antigen test, not a PCR test.
- Probable cases are not included in our confirmed case totals (PCR test only).
- Cases that are confirmed with PCR tests are removed from the probable totals.
- Week of 5/9 high due to lab submitting multiple weeks of past reports

## 14-Day Rolling Average of New Community COVID-19 Cases by Report Date

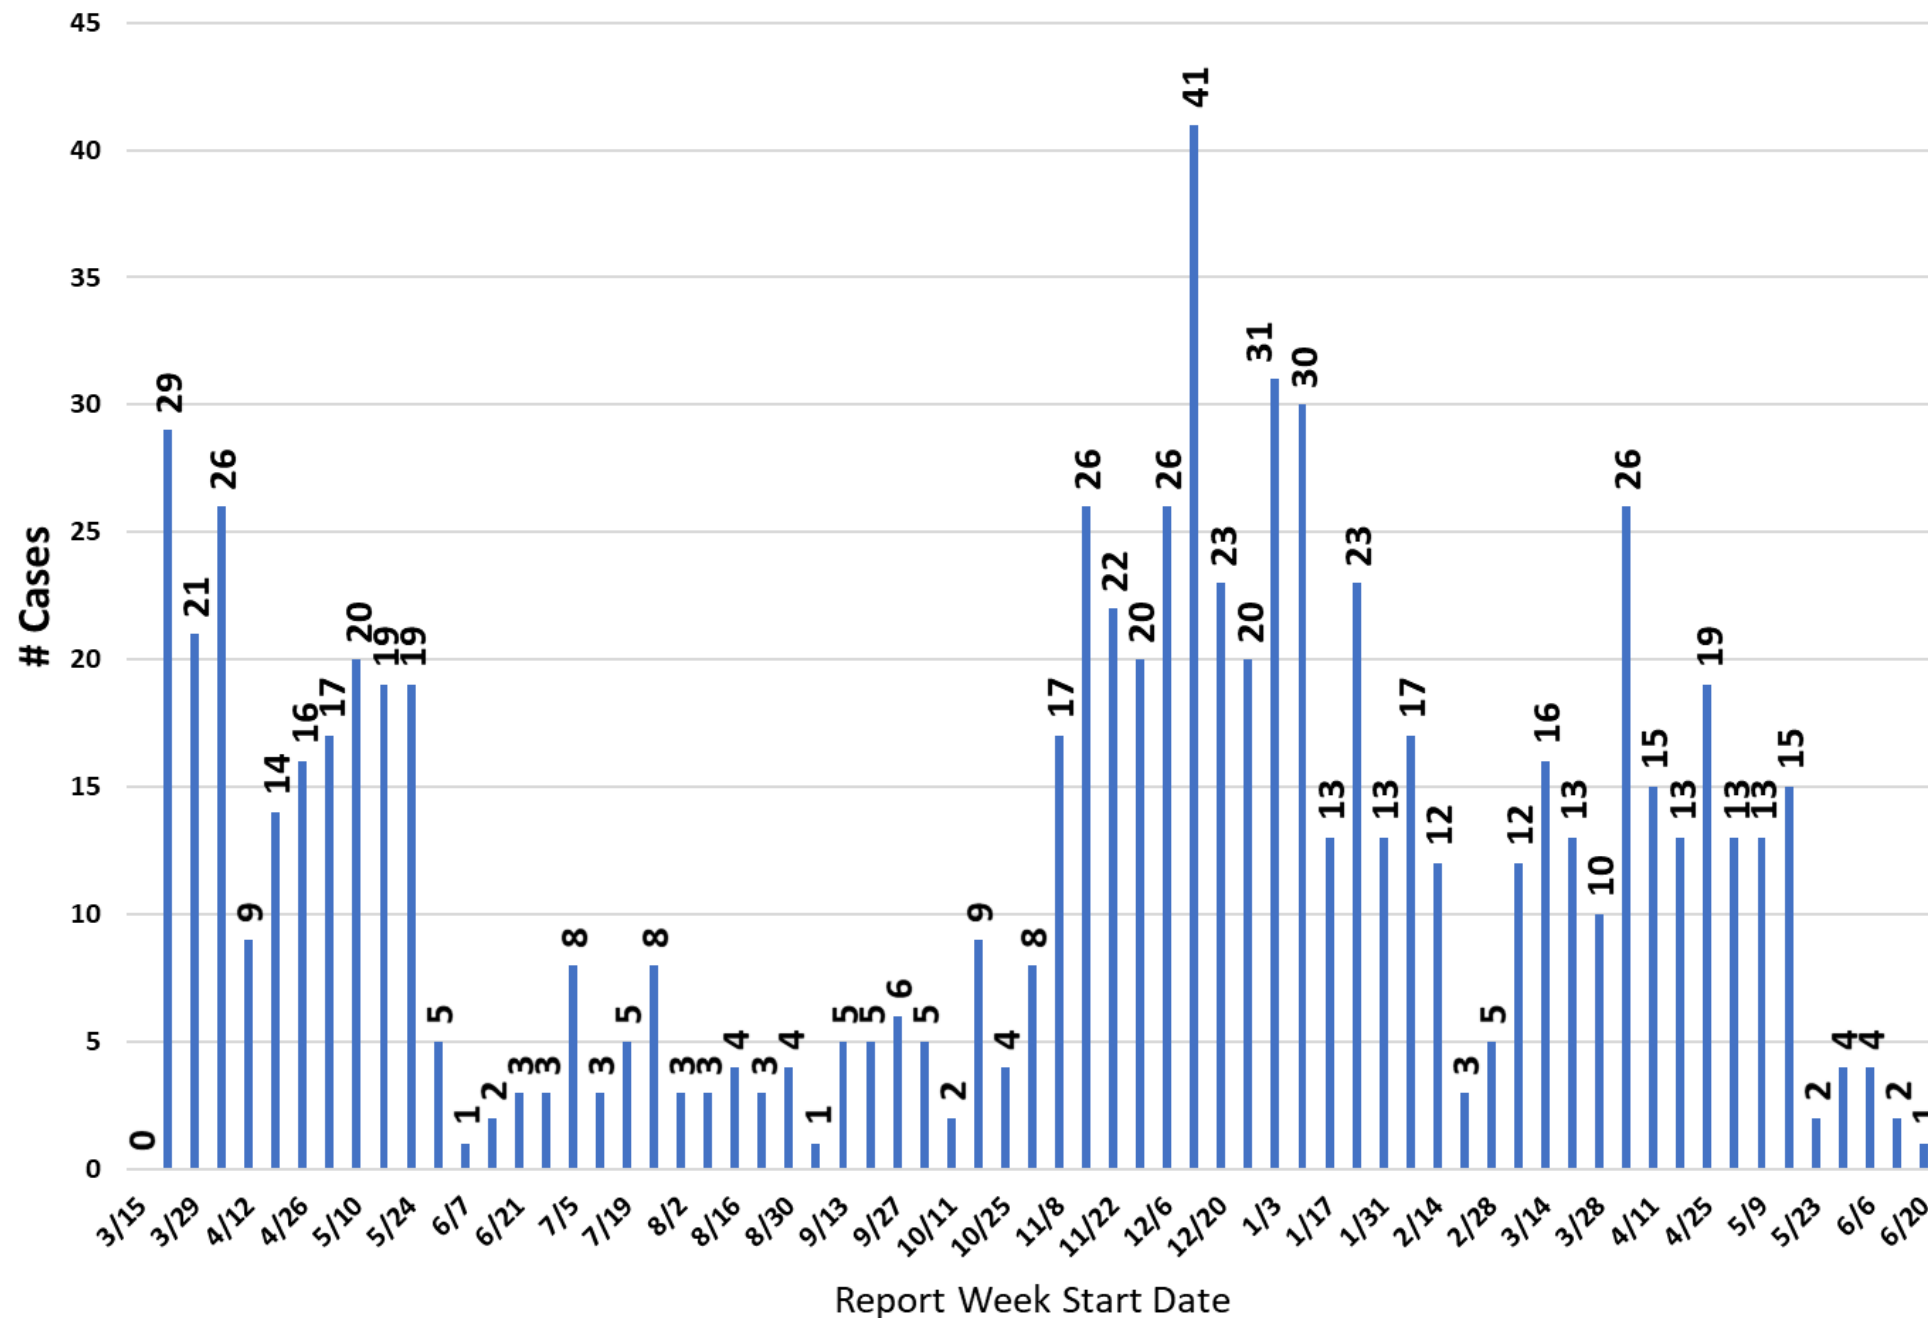

Community cases only

**CASE RATES - Community cases only**

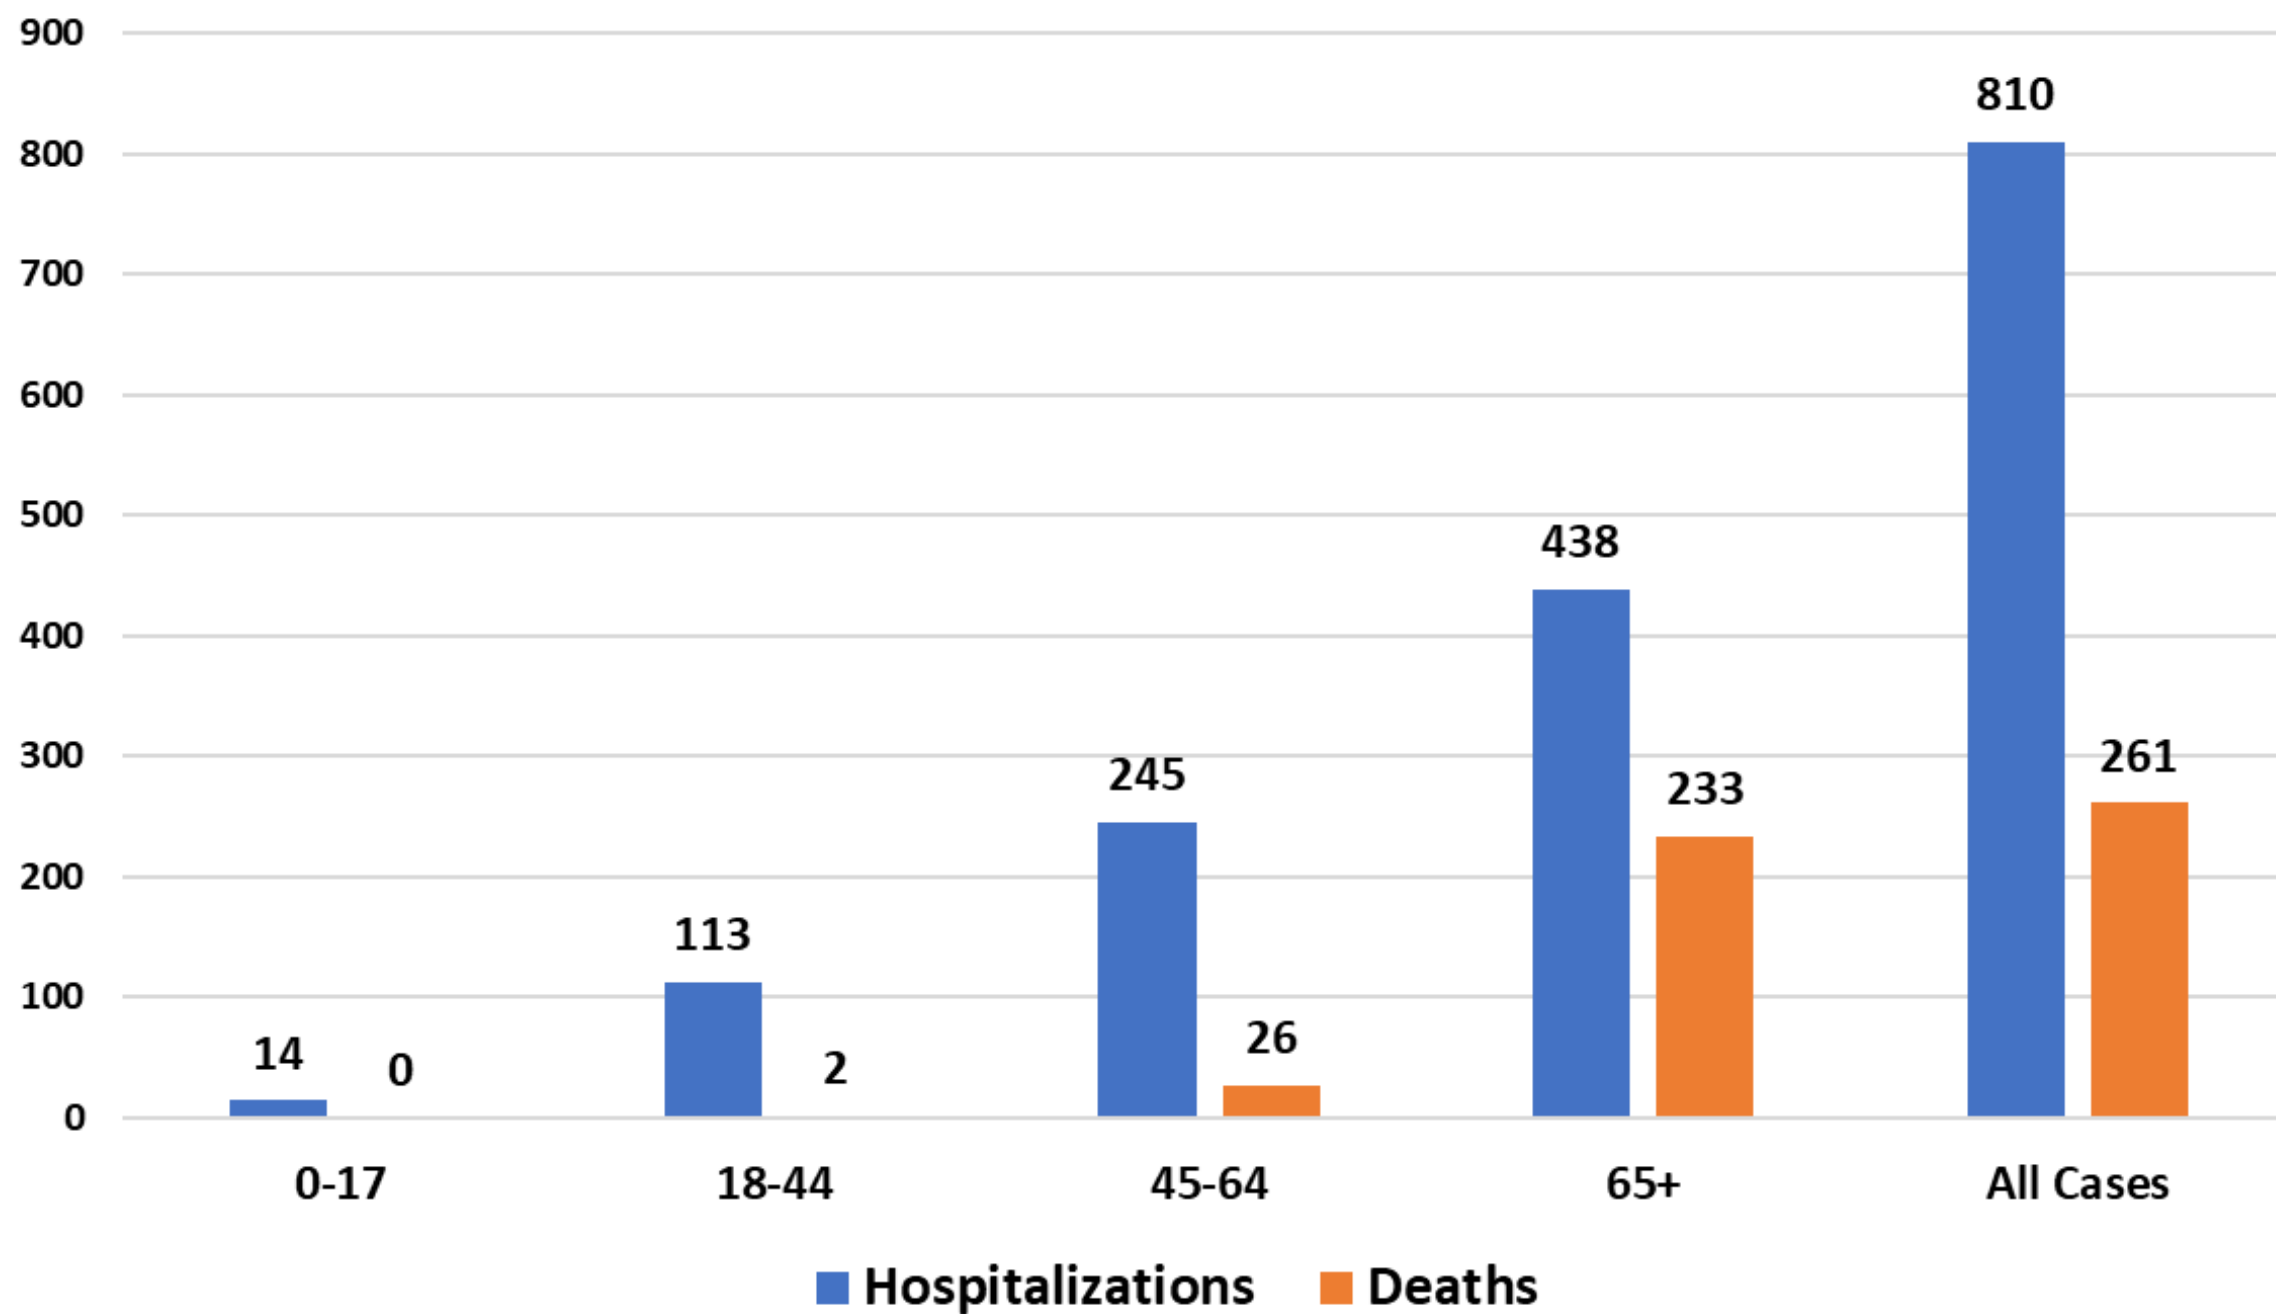

## Hospitalizations by Report Week: All COVID-19 Cases

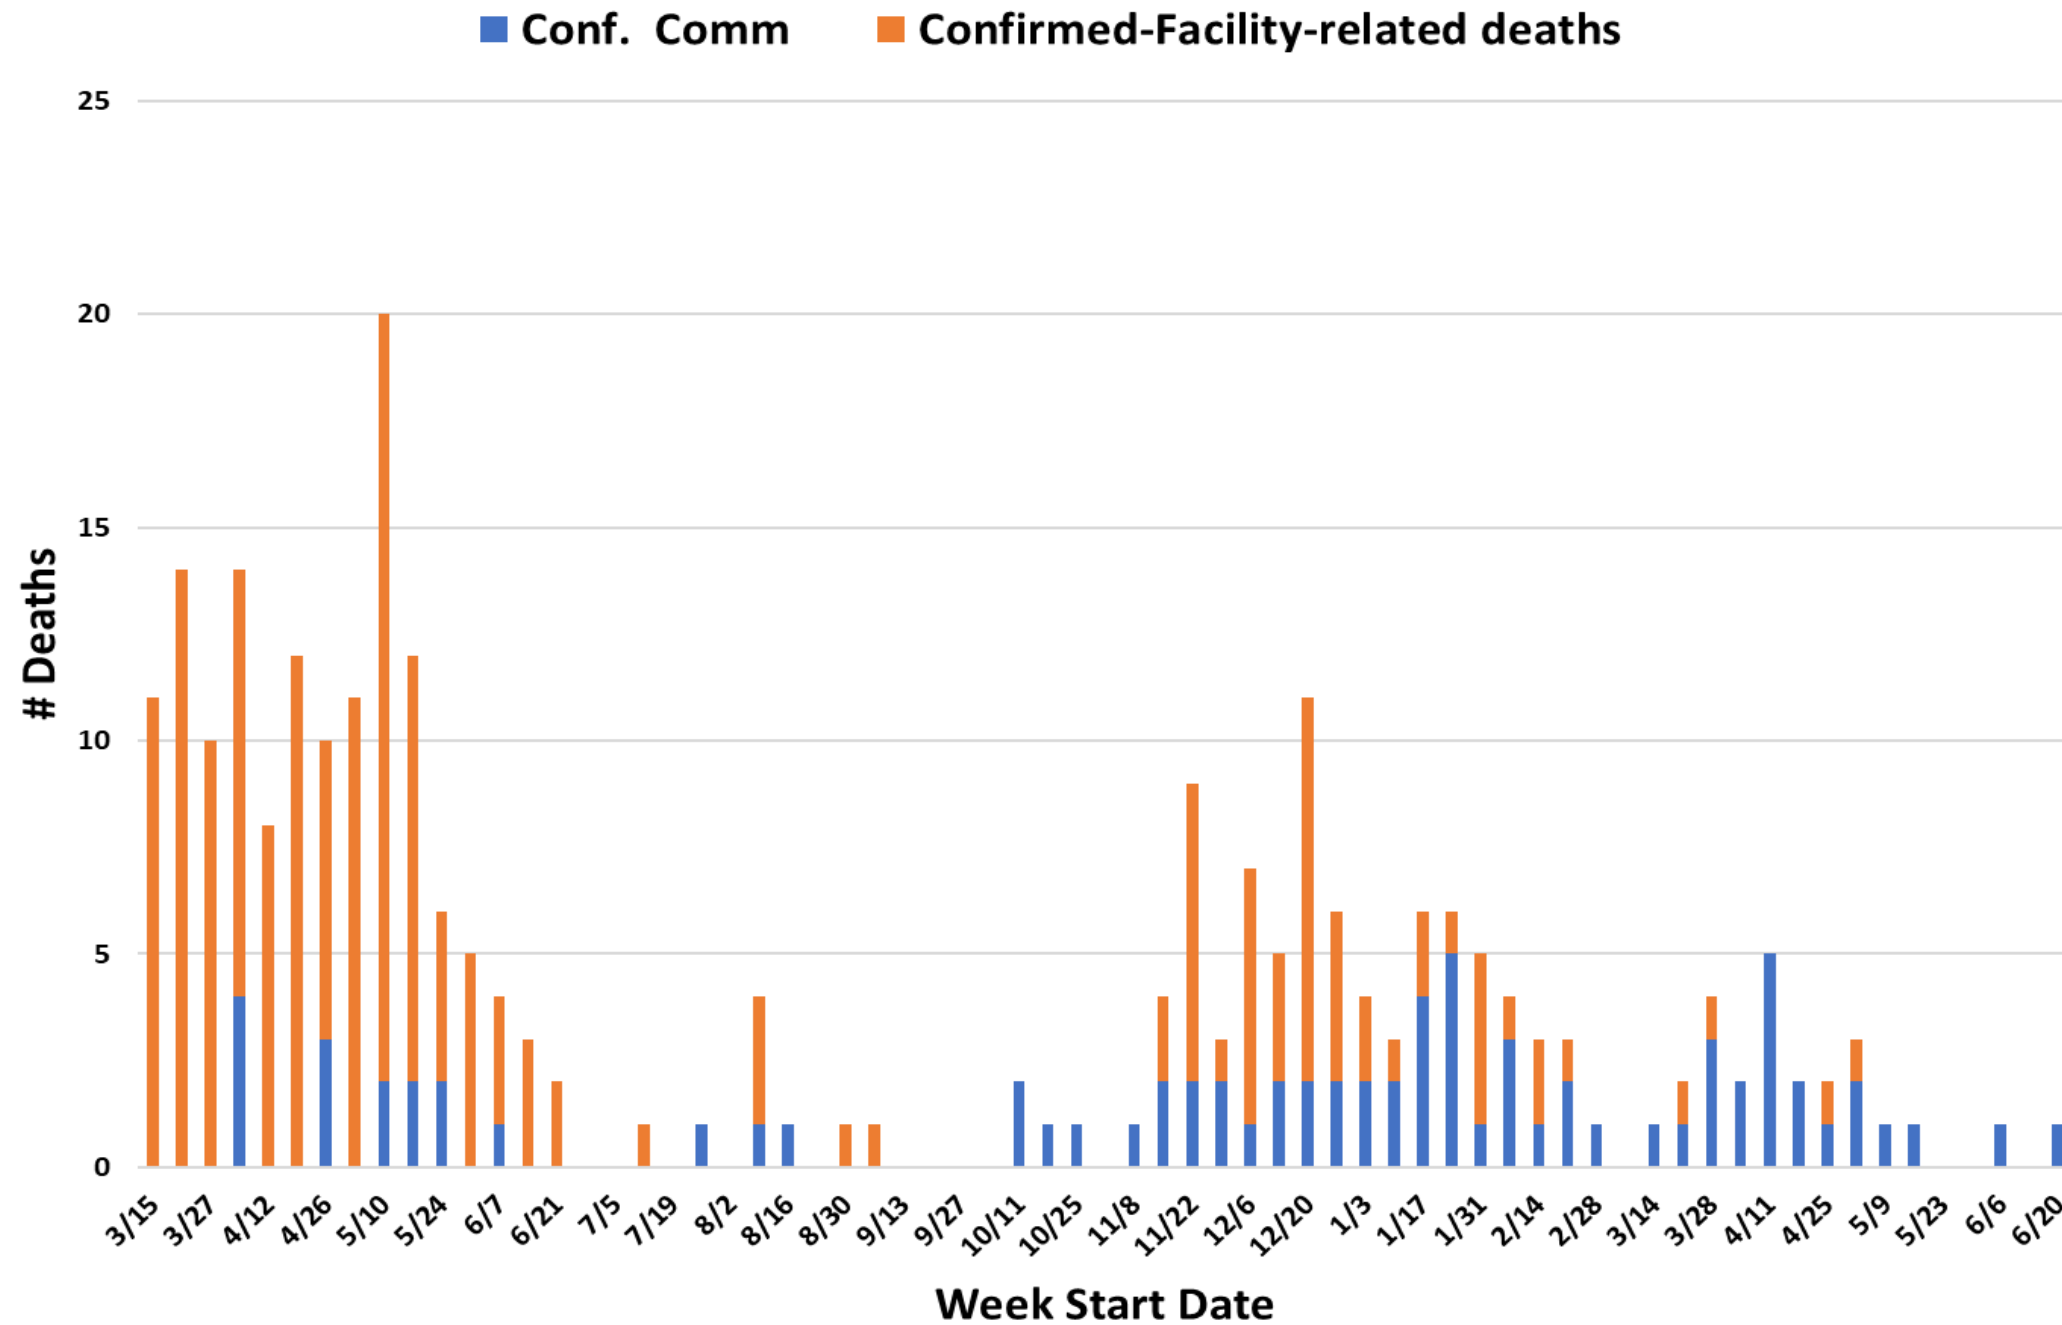

This graph shows hospitalizations by week for COVID positive Carroll County residents, in any hospital.

- Report week is the week their case was reported, which may not be the same week they were hospitalized. Only one hospitalization is noted per person.
- There is a slight data lag so recent numbers may increase.
- Additional hospital data can be found on our website:  
<https://cchd.maryland.gov/carroll-county-md-cases/>

**Hospitalizations and Deaths by Age Group (years): All COVID-19 Cases**

## COVID-19 Deaths by Week of Death

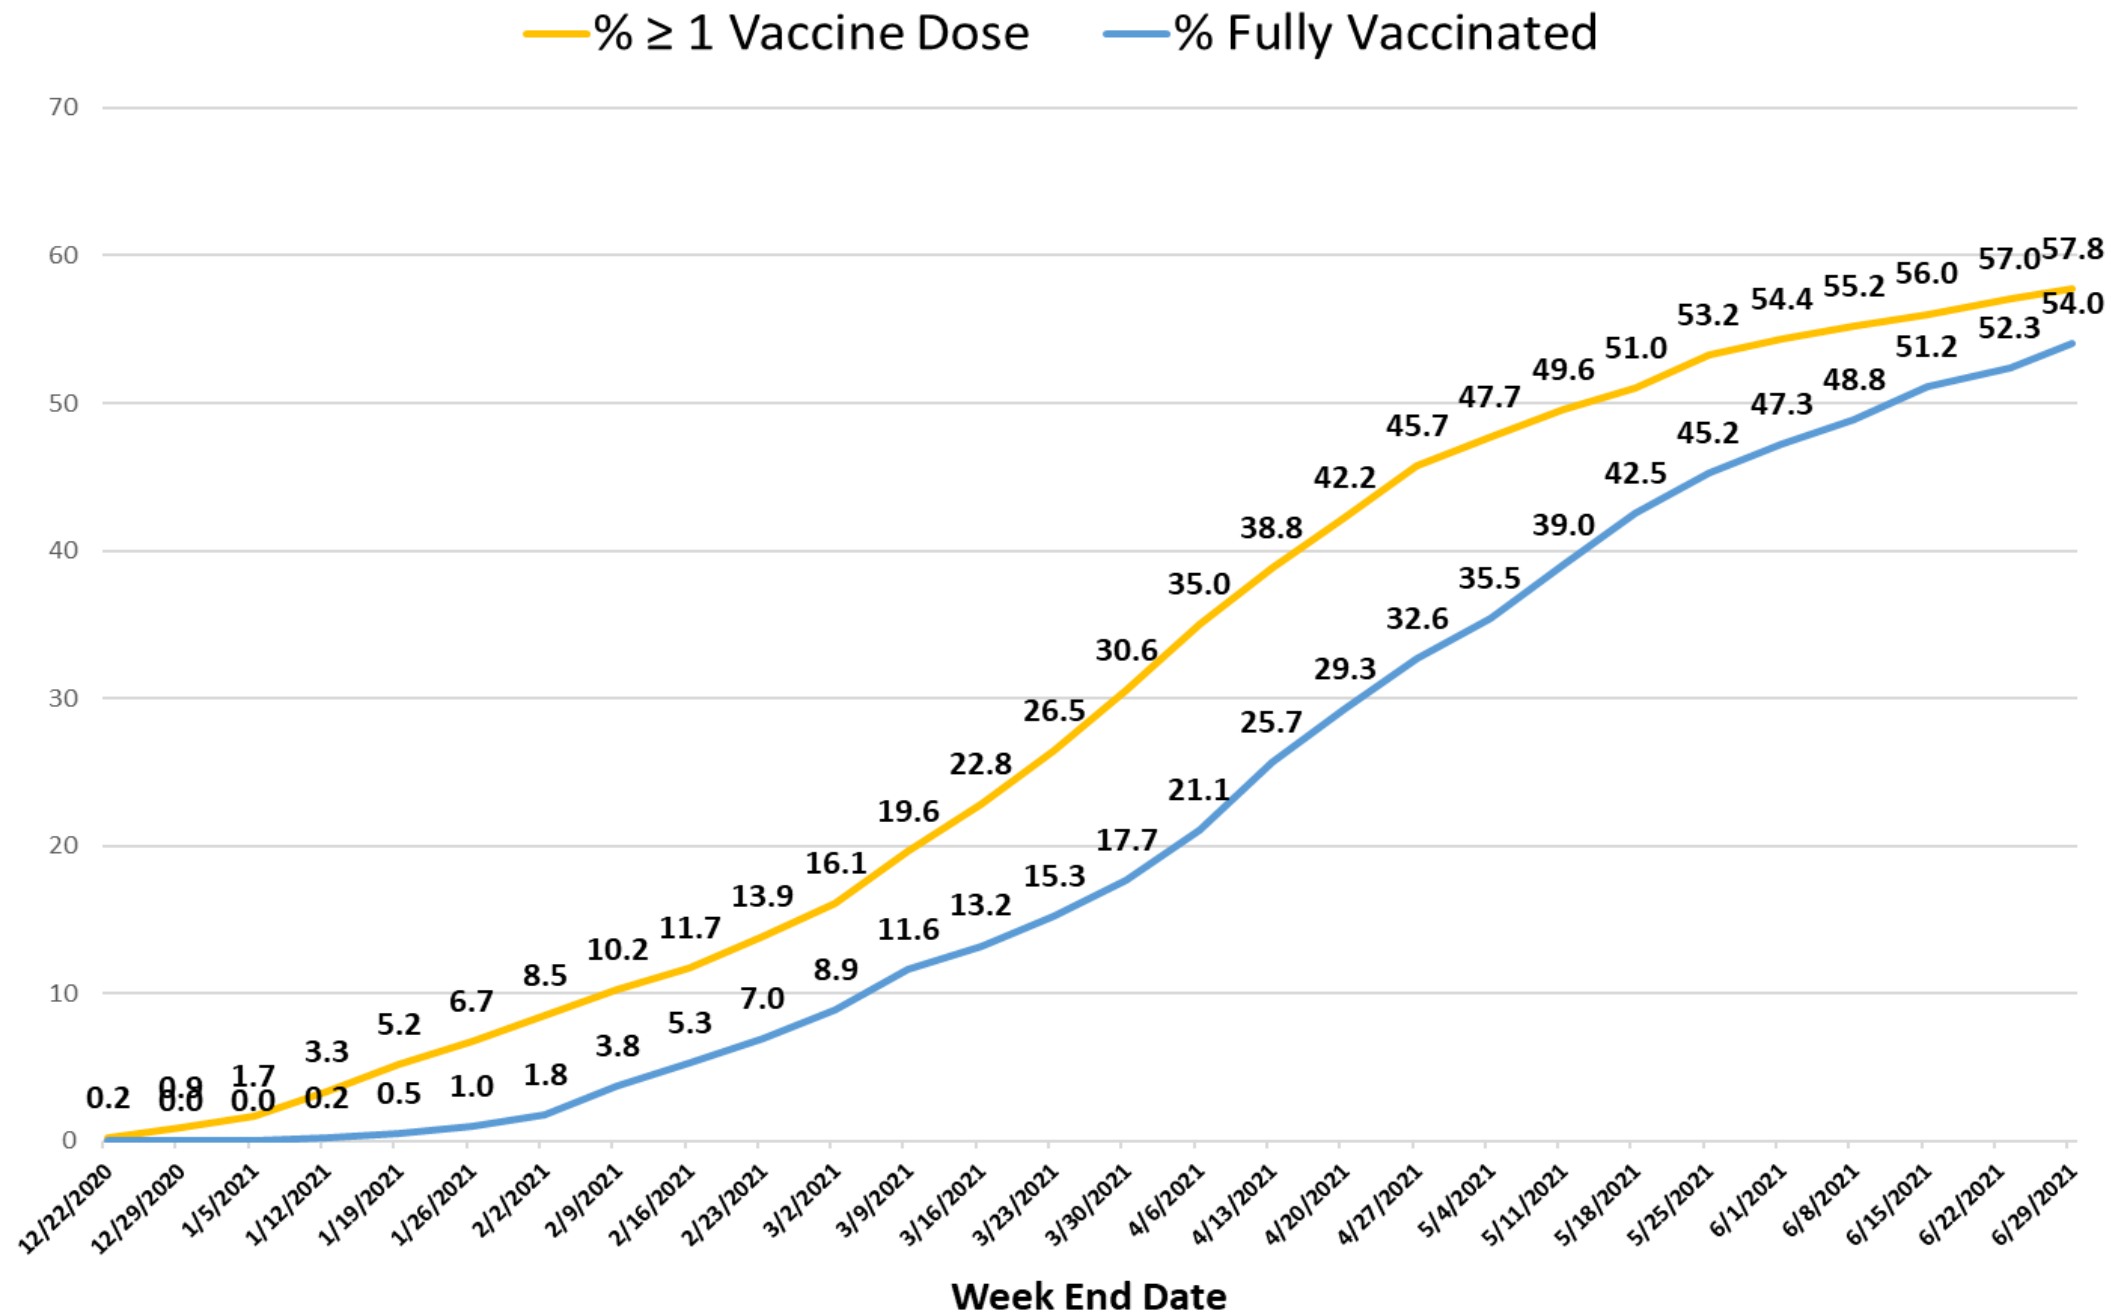

Please note:

- This data does not include deaths in probable cases.

## % Carroll County Population Vaccinated, by Week

This table shows the percentage of the total population (all ages including children) who are vaccinated.

**Vaccinations given by the Health Dept:**

**53,407 as of 6/28:**

- **27,210 1<sup>st</sup> doses**
- **25,699 2<sup>nd</sup> doses**
- **498 single doses**

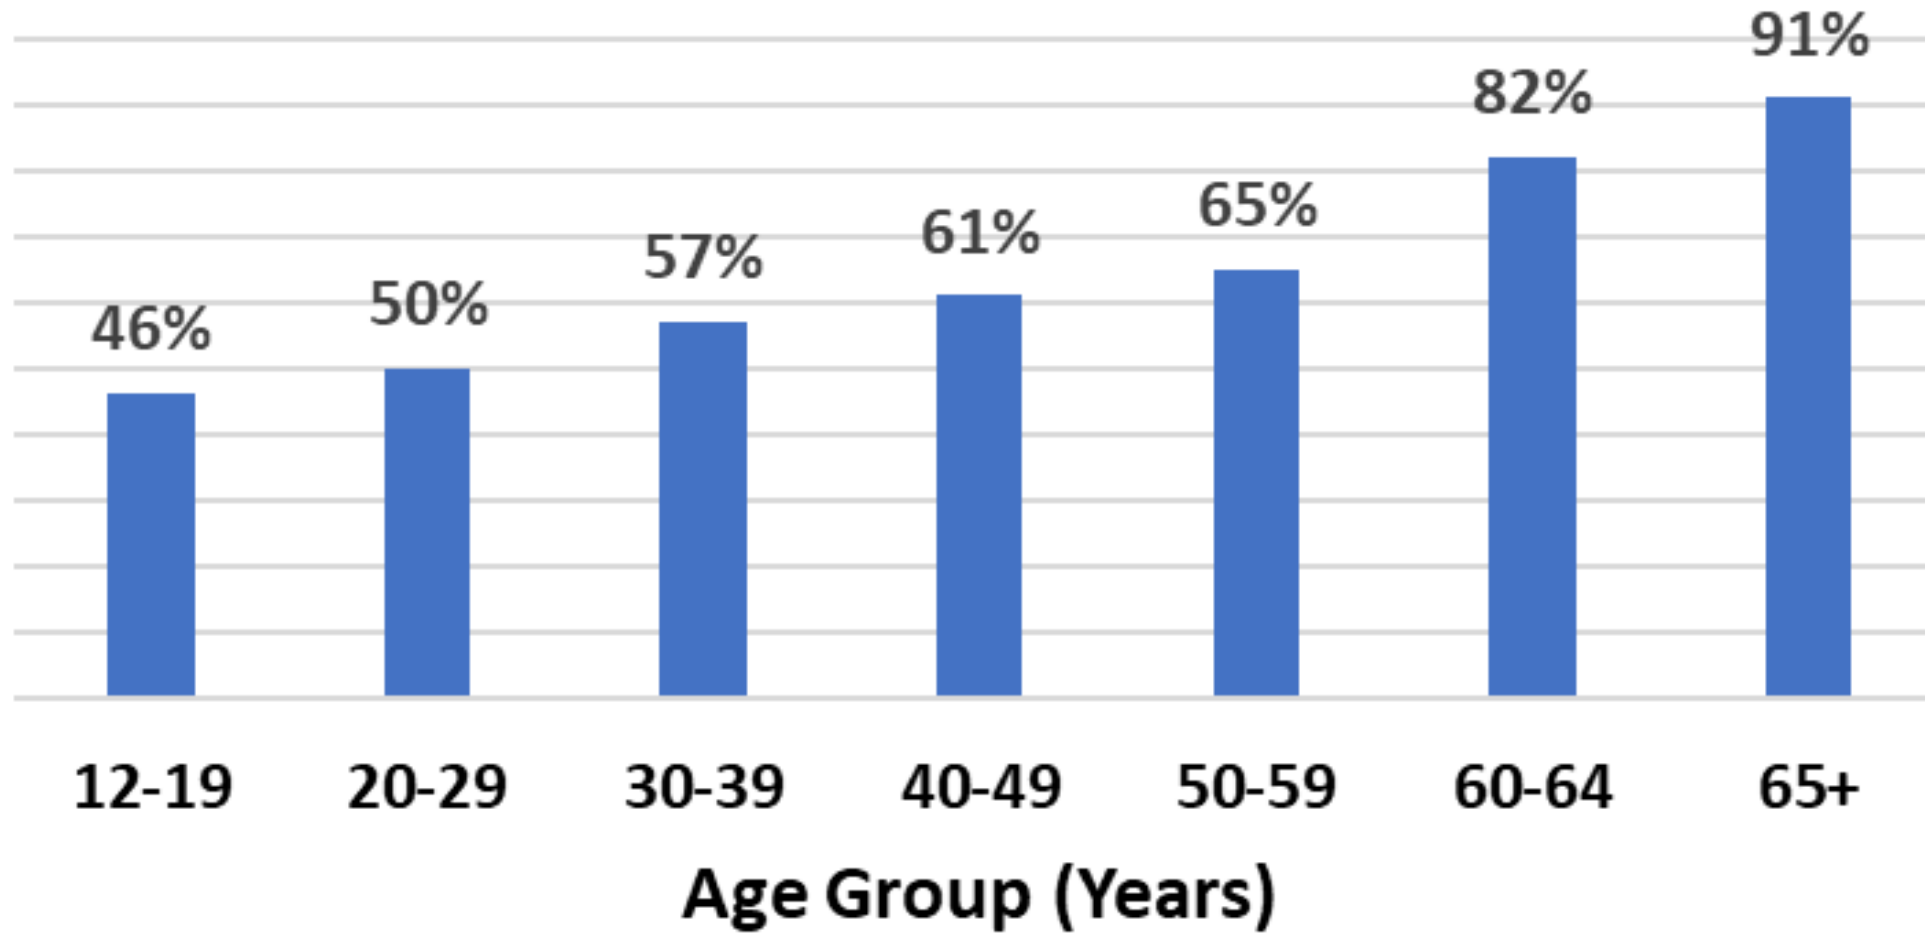

In Maryland, 74.5% have received at least one COVID-19 shot.

In Carroll County, currently, 74.9% of adults 18+ have had one COVID-19 shot and 68.1% of Carroll County adults are fully vaccinated as of June 23rd.

**Percent COVID-19 Vaccination Estimates by Race/Ethnicity:  
Aged 65+ Years**

# Vaccination Clinics

Many clinics are now available at the TownMall of Westminster for first and second doses of Moderna. Another Pfizer clinic is scheduled July 7<sup>th</sup> for 12+.

All links are on our website. Walk-ins are welcome:

<https://cchd.maryland.gov/registration-links/>

We will be moving our clinics to the Health Department starting the week of July 11<sup>th</sup>.

We are also planning to bring our mobile clinic to several events around the county, including the FFA and 4H Fair July 31<sup>st</sup> - August 6<sup>th</sup>.

Be a GoVax ambassador!  
Tell your friends and family  
why you got vaccinated.

"During a pandemic, our actions save lives. Getting the COVID-19 vaccination meant I was doing my part...Receiving the vaccination has left me with a feeling of comfort, knowing my family and I are safer. I can now travel, attend gatherings, and reconnect with loved ones. GET VACCINATED, SAVE LIVES, AND SAY GOODBYE FACEMASKS. "

- Pamela M. Reed,  
Mt. Airy Councilwoman
